December 1, Day 2, 12-3PM/ET: [WebEx](#)

Time	Discussion Topic
DAY 1: Tuesday, Nov 30 12:00PM-12:15PM	<p>Welcome and Opening Remarks –</p> <p>Lisa Carnahan, Assoc. Dir. for IT Standardization, Information Technology Laboratory, NIST Jamie Ferguson, VP, Health IT Strategy & Policy, Kaiser Permanente</p>
Tuesday, Nov 30 12:15PM-12:45PM	<p>PANEL: Overview of standards activities and landscape</p> <p>Speakers: Lisa Carnahan, Assoc. Dir. for IT Standardization, Information Technology Laboratory, NIST Jamie Ferguson, VP, Health IT Strategy & Policy, Kaiser Permanente</p> <p><i>This session will focus on trends, themes, insights, and patterns of standards and roadmaps that are being used or being developed, based on ANSI's AI standards landscape scan and stakeholder survey, as well as standards organization plans.</i></p>
Tuesday, Nov 30 12:45PM-2:45PM	<p>PANEL: Data quality, data measurement, and data management needs in healthcare AI</p> <p>Moderator: Christina Silcox, Digital Health Policy Fellow, Duke-Margolis Center for Health Policy</p> <p><i>This panel will explore stakeholder requirements for the use of standards in all phases of AI data, data quality, and data measurement in government, patient, provider, and industry use cases, and in future scenarios.</i></p> <p>Panelists:</p> <ul style="list-style-type: none"> ▪ Ami B. Bhatt, MD, American College of Cardiology ▪ Jesse M. Ehrenfeld, MD Immediate Past Chair, AMA Board of Trustees ▪ Jon Godfread, Commissioner, National Association of Insurance Commissioners – Chair of Innovation and Technology ▪ Suzanna Hoppszallern, Senior Editor Data and Research, American Hospital Association ▪ Phil Lindemann, VP of Data & Analytics, Epic Systems ▪ Vickie M. Mays, Professor, Clinical Psychology, UCLA ▪ Yanshan Wang, Assistant Professor and Vice Chair of Research, University of Pittsburgh

3:00PM	Adjourn, DAY 1
DAY 2: Wednesday, Dec 1 12:00PM-12:15PM	Opening Remarks Lisa Carnahan , Assoc. Dir. for IT Standardization, Information Technology Laboratory, NIST Jamie Ferguson , VP, Health IT Strategy & Policy, Kaiser Permanente
Wednesday, Dec 1 12:15PM-2:00PM	PANEL: Gaps, overlaps, and opportunities for coordination Moderator: Mary Saunders , VP, Government Relations and Public Policy, ANSI <i>This panel will discuss and identify opportunities arising from discrepancies between the needs and wants expressed in stakeholder scenarios and use case requirements, versus the existing and planned standards landscape.</i> Panelists: <ul style="list-style-type: none"> ▪ Pat Baird, Sr. Regulatory Specialist, Philips ▪ Hans Buitendijk, HIMSS Electronic Health Record (EHR) Association ▪ Bradley J. Erickson, MD, PhD, Mayo Clinic, Medical Director for AI ▪ Don Rucker, MD – Chief Strategy Officer at 1upHealth and former National Coordinator ONC ▪ Berkman Sahiner, Senior Biomedical Research Scientist, FDA
Wednesday, Dec 1 2:00PM-2:45PM	PANEL: A roadmap for future action Moderator: Lisa Carnahan , Assoc. Dir. for IT Standardization, Information Technology Laboratory, NIST <i>Active discussion with stakeholder engagement toward commitments to collaborative and collective action.</i> Roundtable Discussion: <ul style="list-style-type: none"> ▪ Pat Baird, Philips ▪ Captain Scott Colburn, FDA ▪ Dale Cyr, Inteleos ▪ Jamie Ferguson, Kaiser Permanente ▪ Kerriane Haresign, Consumer Technology Association (CTA) ▪ Joe Lewelling, Association for the Advancement of Medical Instrumentation (AAMI) ▪ Bakul Patel, FDA
Wednesday, Dec 1 2:45PM – 3:00PM	Wrap-up Lisa Carnahan , Assoc. Dir. for IT Standardization, Information Technology Laboratory, NIST Jamie Ferguson , VP, Health IT Strategy & Policy, Kaiser Permanente
Wednesday, Dec 1 3:00PM	Adjourn
